Plaintiff and Counter-Defendant,  
v.  
TRENT WEST,  
Defendant and Counter-claimant.

Case No. 5:09-cv-01303-JF-HRL

**STIPULATION TO EXCEED PAGE  
LIMIT FOR RESPONSIVE AND REPLY  
CLAIM CONSTRUCTION BRIEFS  
AND ORDER**

Declaratory Judgment Plaintiff, C&C Jewelry Manufacturing, Inc. (“C&C”) and Defendant Trent West (“West”), by and through their undersigned counsel of record, have agreed and stipulated that:

(1) C&C may exceed otherwise applicable page limitations by five (5) pages and therefore file a Responsive Claim Construction Brief that is no more than 30 pages in length; and

(2) West may exceed otherwise applicable page limitations by five (5) pages and therefore file a Reply Claim Construction Brief that is no more than 20 pages in length.

C&C and West respectfully submit that the additional pages would be helpful to the Court. This suit involved four separate patents, and the parties seek construction of thirteen (13) terms, including two terms that C&C contends are indefinite (which West disputes) and three terms that C&C contends should be given the same construction (which West disputes).

Accordingly, C&C and West respectfully request that the Court issue an Order, for good cause shown, permitting C&C and West leave to exceed the page limitations otherwise applicable to each party’s respective claim construction brief by five (5) pages.

Respectfully stipulated to by:
